Foreword

This is your "WILDCAT!" We, the staff members, have worked with it for a year and now it is yours. This yearbook covers many activities that you will long remember and treasure. We wish to express our appreciation to the administration, faculty and students for the co-operation and encouragement that you have given to us. We do hope that you will enjoy the Wildcat as much as we have enjoyed publishing it.

Sincerely,

Dedication

Mr. David Bradford
"MR. WHEATLEY"

Making this dedication is indeed a pleasure and we consider it a privilege to pay tribute to one who has served and is serving Phillis Wheatley so faithfully. Fairness and cooperation have always been his trademarks, and students and co-workers alike know that they will always be met more than halfway when they take their problems to him.

As director of student activities and coordinator for all senior classes, his headaches and heartaches have been many. We realize that these are the times and we are the people who try men's souls. Our prayer is that time may treat him gently and smile kindly on his efforts to make this a better school and a better world in which to live.

"Mr. Wheatley," we love you.

Sincerely,
The Seniors of 1961

Phillis Wheatley Senior High School

May 31, 1961

To the Phillis Wheatley School Family,

Congratulations upon the completion of a successful year of school experience. To those of you who are graduating, say I say to you that you are living in one of the most beautiful places in the land of civilization. That you will be able to you. Work, in moral standards, and in the keys that will open the way of success. To those students who have not yet completed their high school experience, say the office word of encouragement. The world today is a high degree of competency from the rest of today. Consider your present and future seriously and make certain that you obtain the most from your present opportunities.

Sincerely,

William Moore
